# BOTANICAL DYEING WORKSHOPS

## BOTANICAL PRINTING ON PAPER

---

A basic course suitable for all ages, includes a general overview of the main features and techniques of botanical printing on paper. You will learn about the rarest plants suitable for botanical printing

25€ per person

Min 6, max 20 participants

Duration: about 3 hours

The course provides the essential tools to begin experimentation. The final project will be to create a small artist's notebook or alternatively you will create your own herbarium.

## BOTANICAL PRINTING ON FABRIC

---

The basic botanical fabric printing course focuses on the method and primary knowledge needed to achieve a natural print on plant-based fabrics (cotton, linen). The final design will be printed on a t-shirt (communicate the size in advance)

36€ per person

Min 6, max 20 participants

Duration: approx. 4 hours

## PRINTING WITH TATAKI-ZONE

---

The technique originated in ancient Japan. it requires creativity and a little patience. In this workshop you will learn how to perform this "direct printing." Participants will be able to create their own design, printed by hand, on paper or fabric

**25€ per person**

**Min 6, max 20 participants**

**Duration: about 2 hours**

## BOTANICAL PRINTING IN THE WOODS WITH CHIK-NIC LUNCH:

---

**an experience in close  
contact with nature**

A day dedicated to nature, sensitivity and curiosity. First stop at the ancient sanctuary of San Salvatore, nestled in the woods of Ceriana, at the end of the trail you will gather for a splendid picnic in the open air.

**60€ per person**

**Min 6, max 20 participants**

**Duration: about 6 hours**
